

## **DEVELOPMENT UPDATE – August 2023**

This bi-monthly update provides information on *notable* development projects and long-range planning efforts lead by the Planning Division. It is organized by long range/policy planning projects, development projects which are under review and have not been approved, development projects which have been approved, and development projects which are under construction. Each project subject to State Housing Law's, such as Senate Bill 35 (Streamlined Ministerial Review) and Senate Bill 330 (Housing Crisis Act), have a note next to the project description.

For inquiries and current status about a specific project (including upcoming public meetings), you can click on the project planner's name to email them directly or click on the project website, if available. Staff reports, plans, and other project-related documents for projects that have been approved or are under construction can be found on the City's website at [Legistar](http://Legistar). A map is also included at the end of the document which shows the location of each project within the City.

### **LONG-RANGE/POLICY PROJECTS**

#### **1. R3 (Multiple-Family Residential) Zoning Code Update**

Update of the R3 (Multiple-Family Residential) zoning district standards to consider incorporating form-based development standards, incentivizing stacked flats and updating the rowhouse guidelines. The project includes public outreach, an anti-displacement evaluation, creation of form-based development standards, a design handbook, public outreach, and Study Sessions with the Environmental Planning Commission and City Council.
